

The Boys & Girls Clubs of the Emerald Coast is hosting our Annual Dinner on February 28, 2019 at The Henderson Resort, and we would like to offer this opportunity for Coastal Accounting to sponsor the event.

Our Annual Dinner brings together business leaders throughout Northwest Florida to celebrate the impact of Boys & Girls Clubs of the Emerald Coast's work. Since 1968, the Boys & Girls Clubs of the Emerald Coast has been a positive place for our youth after school and during the summer. Dedicated professional staff and volunteers have helped generations of young people prepare for life. This annual event recognizes key volunteers, community leaders, staff and Club members who have helped drive the impact of Boys & Girls Club here in Northwest Florida.

To make this event successful, we are in need of support from local businesses and companies. Sponsorships of the Annual Dinner will offset the costs of the event and will help Boys & Girls Clubs of the Emerald Coast continue to impact the lives of the young people we serve on a daily basis. Please review the enclosed sponsorship information and contact me if you would like to support our Annual Dinner.

Boys & Girls Clubs of the Emerald Coast promotes relationship-building activities that create positive and memorable experiences for more than 4,000 children in Northwest Florida. We are providing hope and creating opportunities for our young people to become productive, responsible and caring citizens. ***Great Futures Start Here!***

With your support, together we can fulfill the Boys & Girls Clubs of the Emerald Coast's mission to ***inspire and empower all young people to achieve their full potential.*** Thank you for considering this request. Please feel free to contact me with any questions and to discuss this opportunity and a future partnership.

I look forward to working with you soon,
